# DriveSafe For Life

**Presented By:**

*YearOne*

This eight-hour course has been designed by police officers and is taught by police academy instructors, for teens and adults.

## **Course Outline:**

- Two-hour classroom training.
- Vehicle Maintenance Overview teaching teens how to keep their car safe and why they should.
- Five practical, behind-the-wheel driving exercises teaching accident avoidance:
  - Serpentine Cone Course
  - Precision Driving Course
  - Off-Road Recovery Exercise
  - Evasive Maneuver Braking Exercise
  - Threshold Braking

Classes are now forming for teens and parents at two locations:

- Year One in Braselton, Ga.
- Thunder Road in Dawsonville, Ga.

Class size is limited. Pre-registration is required.

Cost: \$125.00 per team: one teen and one parent.  
(rain or shine)

## **Requirements For Participation:**

Must have a State of Georgia valid learner's permit and three months driving experience or a valid driver's license. Must provide a properly maintained, serviced, insured and licensed vehicle which you will drive during the course.

For more information about the program or to register, visit [www.fearthis4life.org](http://www.fearthis4life.org) or call Woodrow Gaines at 770-823-7823.
